Got Bogus Checks Cashed.

Represented that He Had a Rich Threat to Cut Off Supply and Stop Uncle in Denver.

A number of business men on the east ands the police have not been notified

Hamel was a boss painter, and lived at 310 Houston street. He was an all-around good fellow, a popular member of the Oestunger Schuetzen Bund, and by telling all his friends that he had a rich uncle in Denver he succeeded in getting their confidence to the extent of being able to borrow money from many and setting others to cash checks that have turned out to be bogus. He disappeared about a week ago, and since then men who claim to have been swindled are turning up daily.

One of Hamel's most furious victims is Mr. Berkowitz, of the furniture firm of Rath & Berkowitz, of 197 Delancey wirest. When he was asked to cash a check of \$55 by Hamel he hadn't the money and referred him to Jacob Heiler, a saloon-keeper in the same building. Heiler gave Hamel \$45 on the check, which was ostensibly made by Louis Hallamayer, on the Eleventh Ward Bank, and since it has turned out to be fraud-linent Berkowitz and Heiler have divided the loss, William Klein, a liquor dealer at 112 well-limit to the constant of the constan Hamel was a boss painter, and lived

The last appropriation for gas service was not sufficient to meet the bills, and the city has no funds now on hand to pay the claims. The suits will be contested, as it is claimed the comparies formed a Trust, and the city is not obliged to pay the combination.

The train system lately introduced on the Third avenue cable line offers, as it is now practised, a fresh source of danger to the patrons of the line and to citizens in that thoroughfare generally. The first danger is from the unguarded interval between the two cars. The New York public is not yet accustomed to the train system on surfac roads, and men in a hurry alighting from the first car of the train in mode holding bank chacks returned "No CHICAGO, Aug. 7.—Suits aggregating tion, are apt to dash behind the first cod," are quetly waiting for the return \$150,000 have been organ against the city car and in front of the second car. Mr. G. D. Weeks, 135 Liberty street, says: "I tried the catarrh treatment given by so-called specialists, and was just as bad off in the end as when I began. My throat was filled with mucus, and I was constantly annoyed by difficulty in breathing and pressure in the head. I was persuaded to try Prof. Munyon's New Methods, and was astonished. Relief was immediate, and now I am completely cured. I know by my own experience that Prof. Munyon can cure the worst form of catarrh."

Mrs. Serven, 310 West Fourth street: "Prof. Munyon saved me a small fortune in doctor's fees. I used to call a physician for my little ones several times a week. Now I am giad to say that we have not employed a doctor for two years; whenever anyone is ill a few doses of Munyon's Remedies act like magic and save us long spells of sickness. We have used Munyon's cures with wonderful success is colds, coughs, fevers, sore throat, diarrhoea, liver complaint and dyspepsis, and, in fact, in all kinds of sickness. For myself, I have been cured of asthma by Munyon's Asthma Remedies."

Why pay big doctor bills to have your constitutio. ruined by old-fashioned doses of mercury, morphine and quinine? Why not try Prof. Munyon's new methods? Munyon's Remedies are perfectly harmless and contain positive cures for the most obstinate as well as the most intricate diseases.
